tweets from the classroom

Week Of: October 8-12

teacher's notes

Book Report

Last months reports were very well done! I love the effort these kids put forth. The information for this is also on my webpage. The next genre is realistic fiction and is due Oct. 26.

Red Ribbon (Week before) Oct. 22-26th

-Monday - Drugs & I Don't Match (Mismatched clothes)
-Tuesday - Team Up Against Drugs - (Your favorite sports team gear)
-Wednesday - Don't Get Caught Sleeping -Say No to Drugs (wear PJ's)
-Thursday - #BeKIND - (Wear #BeKind shirts & Jeans)
-Friday - Rock your Red!

Planet Research Project

Students will begin a planet research project next week. Most of the research will be completed in class, however, the project itself will be done at home.

class calendar

Oct. 12 Fire Prevention Assembly

Oct. 15 Star Lab- Planetarium

Oct. 16 & 18 Parent/ Teacher Conferences

Oct. 18 Hidden Figures

What's Happening in the Classroom?

October 12th

What a whirlwind! I can't believe we are halfway through October! I know parents always do a great job with the school parties, but wanted to let you know I forwarded the sign up form for the fall party earlier this week. Please do what you can to help with that. It makes things go very smooth when everyone pitches in. The fall party is at 1:40 pm on October 31st. Students will parade around in their costumes during this time as well.

We continued with multiplication of decimals this week and some of it is a struggle because it is entirely new to these students. I have posted a video from Khan Academy to reteach the lesson if needed and will post more if needed. There is always extra practice in their workbooks as well.

In writing we began the process of our Veterans Essay. Our first step is to have an interview conducted with a veteran by October 22. The students have questions in their packet and there are additional questions on Writing Google Classroom. The more information collected from the interview, the easier the essay will be to write. If you can't find a veteran to interview please get in touch with me as soon as possible and we will find one!!

Thank you for all of your kind words and support after last week! I am so lucky to have such a great class coming from wonderful families. See you next week!

Please remember, I am here if and when you need me! Have a wonderful weekend! Miss Skrdla ☺

Upcoming Explorations

Reading

We will continue Unit 2 by reading the short story, Rattlers, and focusing on Main Idea and Details

Writing

Students will study and practice grammar skills to better apply them in their writing.

Math

We will continue Topic 4 in Envisions, Multiplying Decimals. Possibly Test Thurs
