Book Report

The next book report is students choice. It is due on Friday, February 8th.

Please make sure you follow requirements on the Book Report Letter!

Winter Weather

It is getting colder! Please make sure your child comes to school prepared. We have outdoor recess unless it is raining or 10 degrees (with wind chill). Students must have pants and long sleeves to go outside if it is 40 degrees or colder. This will help students stay healthy throughout the winter. Thank you!

What's Happening in the Classroom?

February 8th

Good afternoon! I apologize for the lack of newsletters recently! These snow/cold days have me a mess. Conference slips will be coming home tonight. Please fill out and return as soon as possible! We tried our best to meet everyone's preferences in the scheduling process. Unfortunately, most had similar time frames. Please let me know if there is an issue.

For Valentines Day we will allow valentine boxes and exchanges. However, we are not having a typical school party. Instead, we have the Omaha Street Percussion performing for us! Students will still be able to enjoy the meat and cheese tray as well as the crackers and cookies provided. Thank you for all of your help and donations this year!

Box Top forms are being sent home today. The collection is from Feb 11-20th. Fill a sheet with box tops, bring it to the office for a prize from the prize-box! Thanks for helping the PTO!

We have been very productive with our school days so far this year! We completed the novel, Number the Stars with a project in the shape of the Star of David. Students have become very comfortable with fractions in math; they are no longer scary! As for writing, our persuasive essays paid off. My class did very well on the district writing assessment too!

If your child would like any additional help in math, I preview the lessons two mornings each week and I am happy to have them join.

A reminder Parent/Teacher Conferences are February 19th and 21. I look forward to seeing you! As always, if you have any questions or concerns please don't hesitate to contact me at mskrdla@gpsne.org.

Miss Skrdla ☺

CLASS CALENDAR

Feb. 12 High School Choir Visit

Feb. 14 Valentine's Day Assembly

Feb. 18 No School

Feb. 25 Read Across America Week

UPCOMING EXPLORATIONS

READING

We will be reading "Zathura" and focusing on drawing conclusions and vocabulary.

WRITING

Students will continue practicing grammar skills with subject and verb agreement.

MATH

We will continue with Topic 8 Multiplying a Whole Number by a Fraction.
